

## Army Family Action Plan

The Army Family Action Plan (AFAP) is your platform to voice quality-of-life issues, feedback, ideas, and suggestions. It's the best way to let Army leadership know what works, what doesn't, and how you think problems can be resolved. It gives active- and reserve-component Soldiers, Army Civilians, retirees, survivors, and Family Members a powerful tool to help identify issues and concerns and shape the Army standard of living.

Since 1983, over 700 issues have been raised at the Department of the Army level – and those have resulted in over 500 improvements for Soldiers, Families, and Army communities.

AFAP issues have resulted in real changes, including these:

- Soldier paternity leave
- Military Thrift Savings Plan
- Post-9/11 Veterans Educational Assistance Act of 2008
- Distributed Soldier Montgomery GI Bill benefits to dependents
- Extended educational benefits for spouses
- Dedicated special needs space in Child and Youth Services (CYS)
- Exceptional Family Member Program enrollment eligibility for reserve-component Soldiers
- Dental and visual insurance coverage for federal employees
- Funding for Better Opportunities for Single Soldiers (BOSS)
- Standardized barracks security measures
