What is ADPAAS?

The **Army Disaster Personnel Accountability and Assessment System (ADPAAS)** is a website designed to help Army personnel and their Families directly affected by natural an man-made disasters.

ADPAAS allows personnel to do the following:

▼ Update Personnel Accounting Status
▼ Update Contact Information
▼ Update Displaced (Safe Haven) Location
▼ Update Family Member Information
▼ Submit a Needs Assessment Survey

Why is ADPAAS needed?

• **ADPAAS** provides a tool to report your status, current location, update emergency contact information and request assistance.

• **ADPAAS** helps Army leadership account for personnel and to make decisions that supports you and your family.

Additional Resources

• **ADPAAS Home Page** for timely, up-to-date System Announcements.

• **ADPAAS Reference Library for** useful websites and phone numbers.

Who can use ADPAAS?

ADPAAS is available for all Department of the Army affiliated personnel and their Family Members. This includes, Active Duty, Selected Reserves, National Guard, DA Civilians, OCONUS DA Contractors, Non-Appropriated Fund employees and their Family Members.
