EQUIPMENT RENTAL POLICY

INTEGRITY: Renters are responsible for the quality and quantity of the rental fleet for all users. The renter accepts full responsibility for the wellbeing and safety of the equipment while in their possession.

- Renters are responsible for using the equipment as intended in a safe, appropriate way. _____
- Renters are financially responsible for full replacement cost associated with negligence, improper use and loss. _____
- Renters should call and inform ODR staff immediately of any problems or damages to avoid damage and/or late fees. _____
- If damages and accidents do occur, please inform staff and let us help you fix the problem for and with you. ODR only charges for parts associated with damage and labor to repair and replace those parts. Insurance claims and deductibles are the responsibility of the renter. _____
- Police reports should be conducted for any significant damage or loss of equipment for insurance purposes. _____
- Customers are responsible for returning the exact number of pieces of equipment rented. Full replacement cost for missing equipment will be charged. _____

RESPECT: ODR is committed to serve all authorized users with the highest service and quality equipment. To ensure maximum availability for equipment use, renters should be aware that cancellations, late returns, dirty equipment and changes to reservations affect others potential renter's availability to equipment. _____

- Late returns will be charged the daily rental fee times the number of days late. If you call to extend a reservation, you will not be charged a late fee. You may only extend a reservation if it does not interfere with another customer. Equipment overdue for more than 10 days with no notice will be reported to the MP's. _____
- A cleaning fee is equal to 1 day's rental and will be charged for equipment returned dirty. Food related equipment must be returned free of food waste and clean. Tents and inflatables must be returned dry and free from grass, dirt, mud, etc. _____
- Payment is due at time of reservation. Reservations will not be made without payment and reservations are recommended to ensure that the equipment is available when you need it. _____
- Delivery only on US installations. No off post delivery. ODR staff will assist with setup under reasonable circumstances. Please inquiry needs of setup during time of reservation. _____
- REFUND POLICY: Cancellations made more than 48 hours prior to pick up will be fully refunded. No refunds for early returns, late pickups, quantity changes, or no notice cancellations due. _____

It is ODR's **honor** and **duty** to serve you and all your recreation needs. As our customers, we ask that you make it your **duty** and **honor** to use our equipment to its fullest intention on the highest manner of **respect** and **integrity** in order to preserve equipment quality and health for future users. By signing below I accept full understanding and compliance with above policies. _____
