High1 Ski resort

High1 Ski Resort is equipped with lifts and ski slopes for beginners as well as intermediate and advanced skiers, providing an enjoyable environment for the whole family. It is also designed to be the most environmental-friendly ski resort in the nation. Preserving the mountain while making the slopes, in spring various wild edible greens are seen and in summer many wild flowers bloom, making the resort an eco-travel attraction all year round. The revolving restaurant at the mountain top, 1,340 meters above sea level, provides an amazing view of the surrounding area with one full rotation every hour.
